**Press release from Cotham School regarding our Playing Fields at Stoke Lodge
Criminal Damage at our Playing Fields**

As the school returns after the Easter break, we yet again have to deal with criminal damage to school property at our playing fields at Stoke Lodge. Over the weekend, somebody has spray-painted several of the school site signs. These signs were erected to remind the public that these are Cotham School Playing Fields.

The metal signs cost a considerable amount to have made and put in place.

Cotham School has clear CCTV footage of the criminal carrying out this vandalism, and we are working with the police to identify that person. If anybody has any information about these crimes, please contact Cotham School or the Police using the Crime Reference number 5226108297

Please support the school in the safe and lawful use of our playing fields.
